UNCLASSIFIED

What Needs to be Done Differently?

- **Ability to locate a POC for the standard**
- **Apparent random comments in the automated tool**
- **Much of the confusion came from inability to know the originator of comments and the inability to respond to the comment**
- **Agenda modified three times as online process progressed and standards allocations changed**
- **Many participants new to the process and learning procedures**
- **When Notes are entered, modification was not possible.**
- **Process for Secondary Ownership should be standardized.**
- **Terminology changes from Move to Delete standard to Move to inactive/retired status. Should be consistent.**
